**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a consumer, and I fully support broadband competition. How else to insure that the public is receiving the best possible service at a fair price? How else to insure transparency? This issue is central to the way we live and work; please dont make our daily existence more stressful and problematic. Thank you.
